We need your help! We have 24 Catholic students from Brazil, France and Germany who would like to come for the 2013-2014 school year and are waiting for their match with a volunteer host family. Our deadline to place them is August 31st. The state of the economy makes it difficult to locate qualified families for our students. Sharing the life of an American host family and going to school contributes to a better world understanding and is an unforgettable experience for both the student and the host family. American students benefit from meeting foreign students. In the past, Catholic churches have been very helpful in assisting us in finding volunteer host families

OPEN YOUR HEART AND HOME

to a Catholic exchange student from France, Germany or Brazil for the coming 2013-2014 school year

Volunteer host families (with or without children) are needed to provide food, a bed and a loving home for the coming school year, one or two semesters, starting in August. Students have medical insurance, spending money for their personal expenses and expect to share their host family's daily life including household responsibilities. They speak English, are well-screened and eager to experience life in America. For more information on EMF students, please call Marie-Claude Dijoud now at 1-800-467-8363 or visit our web site at www.emfusa.org These students are anxious to learn that a home has been found for them. Your contribution to this cause is most appreciated. Please help us make their dream come true!

ARE YOU PREPARED?

Disasters can affect anyone, anytime. Do you know what you need to do to prepare yourself and your family? Roland Stolfa will be covering these issues in a series of summer lectures here at St. Mary. If you are interested in being notified of the dates and times of these lectures, email Roland @ rstolfa@yahoo.com or call 226-3955.
